# Why Does Integrity and Experience Matter?

In today's politically *uncorrect* climate, the people of Illinois need someone they can trust — someone who will lead with honesty, with character and with vision.

The Lt. Governor *is* an important role in State government, especially when that person has the proper experience for what the job requires.

And when it comes to experience, not one candidate who is running for Lt. Governor, either Republican or Democrat, can match the credentials of Pastor Randy White.

Randy has a minimum of four years of experience in every responsible area of the Lt. Governor:

- *Rural affairs*
- *Agriculture*
- *Education*
- *Rivers and waterways*
- *Senior services*
- *Healthcare*
- *Emergency services*
- *Creation and retention of new jobs*
- *Energy*
- *Hydro-electric, wind, nuclear, and renewable resources*
- *13-year Union / Steward / Committeeman*

And much more, including:

- *Pastoral integrity*
- *Disaster service specialist*
- *Police chaplain*

***Pastor Randy is easily the most-qualified person for Lt. Governor!***

**Vote for Randy White on Feb. 2**
